Welcome to Sylvanian Village

I've lived here since I was a tiny bunny, so I know it really well - I'd be happy to show you around if you like?

Let me see, where to begin? You'll soon get to know everyone, from the **Walnut Squirrel Family** - they live close to the river in **Beechwood Hall**, to the **Golightly Silk Cat Family** - they own **Cedar Terrace** up near the woods.

All the families in Sylvanian Village are kind and full of smiles.

There are lots of beautiful houses in the village from the lovely large **Maple Manor** to the small and compact **Cosy Cottage**. There is also plenty of fine detailed furniture to fill and decorate each wonderful home with.

There are plenty of Sylvanian shops, so if we are looking for yummy sweets or essential supplies, we can find them in the high street in Sylvanian Village.

Our lovely little community includes lots of villagers with different professional skills, from doctors to dentists and there's even a **Country Doctor** in case you fall and graze your paw.

And if we want to go on holiday, there's a campervan or caravan plus some lovely places to stay, from a lovely little **Log Cabin** to a **Treehouse** nestled in the forest.

Best of all, there's a new **Forest Nursery** and **Country Tree School** so we can learn!

Life is always busy in Sylvania, either playing in the meadow, picnicking in the woods, or spending days at the seaside. There are also many outdoor pursuits, from gliding in a swan boat to learning to canoe.

We can even drive a gorgeous **Family Saloon Car** in the village, or a bike when we prefer to use our own paws.

Look at the map on **page 6** so you can learn where everything is! →

Our Brand History

LOVED SINCE 1985

First created in 1985, Sylvanian Families is a unique and adorable range of distinctive animal characters that live, work and play in the idyllic land of Sylvania.

Sylvanian Families originated in Japan and made the journey to the UK in 1987. It became an iconic toy of the '80s and received the UK Toy of the Year award for three years running.

Sold in over 50 countries, Sylvanian Families is a global brand, with themed restaurants and a dedicated theme park in Japan. To date, more than 100 million Sylvanian Families figures have been sold worldwide.

NATURE, FAMILY & LOVE

The word Sylvan means 'of the forest' and the brand has three values at its heart: Nature, Family and Love.

This evergreen toy appeals to children and adults alike, from young children just making their first friends, older children about to start secondary school, right up to nostalgic adults who fondly remember the figures from their own childhoods, plus serious collectors with a passion for all things Sylvanian!

Sylvanian Families let children craft their own stories, and helps them develop social skills and emotional intelligence through imaginative play. Sylvania is a sanctuary where everyone can be part of the family, letting children learn about relationships, including being kind to each other.

30 YEARS OF HISTORY

"As we celebrate the 30th Anniversary of Sylvanian Families we are excited to see that the original idea from 1985 is still being loved by so many. What started with one house, 11 pieces of furniture and 9 different families is today a global brand recognised by children in 50 different countries."

"I feel an immense sense of pride and pleasure when I see children all over the world enjoying our products. This is what my father, Taketora Maeda, intended when he started EPOCH in 1958. And we promise to keep striving for the next 30 years as well."

Mr Maeda, CEO of EPOCH
